

# Identifying Narcissistic Traits: Are They a Narcissist?

Understanding how narcissistic traits manifest can help you better navigate your relationships and protect your emotional well-being. This worksheet will guide you in identifying these behaviors and reflecting on your personal experiences with the individual in question.

**Directions:** Check the box for each narcissistic trait the person demonstrates. Then indicate how you feel when you're around the potential narcissist in the *Your Emotions* box. The more traits and emotions you identify with, the higher the likelihood the person is demonstrating narcissistic traits.

Narcissistic Traits
Exploits others
Lack of empathy
Arrogant and condescending
Excessive need for control
Uses manipulation tactics
Relationships are self-serving
Preoccupied with own needs
Difficulty accepting criticism
Sense of entitlement
Needs excessive praise
Believe they are superior
Preoccupied with success
Thinks others envy them

Your Emotions
Mentally exhausted
Losing self-confidence
Helpless and weak
Feel they control you
Question your sanity
Experiencing anxiety
Influenced by their behavior
Feel isolated from others
Negative and in a bad mood
Don't respect yourself
Fear their behaviors
Resent their self-centeredness
Guilt for their actions even when you know it isn't your fault

## Additional Resources to Support Your Mental Health Journey

It can be hard to know where to begin looking for support in your mental health journey. Getting a referral from a primary care physician is a reliable first step. Also, sometimes family and friends have experienced similar issues and have professionals they would recommend. The experts at ChoosingTherapy.com are here to help as well, with resources we have reviewed and recommend. Our <u>strict editorial standards</u> ensure our reviews are fair, honest, thorough, and based on firsthand experience.

### You Can Trust Choosing Therapy.com

#### **Best Online Therapy**

Online therapy is a convenient way to connect with a licensed therapist to address mental health issues, reduce unhealthy behaviors, develop effective coping skills, and get more satisfaction out of life. Many companies accept insurance and most have next-day appointments available.

#### **Best Online Psychiatry**

Online psychiatry providers enable patients to consult with licensed psychiatrists and other mental health professionals. They can evaluate, diagnose, and prescribe medication to help manage mental health issues. Many companies accept insurance and most have next-day appointments available.

#### **Best Mental Health Apps**

Apps can be great way to monitor mood, track sleep, journal, and practice healthy coping skills like mindfulness and meditation. There are apps specifically designed to help people reduce the symptoms of depression, anxiety, ADHD, chronic stress, and burnout.

#### **Therapist Directory**

When you're looking for a mental health provider with a very particular skill set, level of experience, or personality type, a therapist directory can be very helpful. Using the filters, you can refine your search until you find a therapist who feels like a perfect fit.
