

Identifying Narcissistic Traits: Are They a Narcissist?

Understanding how narcissistic traits manifest can help you better navigate your relationships and protect your emotional well-being. This worksheet will guide you in identifying these behaviors and reflecting on your personal experiences with the individual in question.

Directions: Check the box for each narcissistic trait the person demonstrates. Then indicate how you feel when you're around the potential narcissist in the *Your Emotions* box. The more traits and emotions you identify with, the higher the likelihood the person is demonstrating narcissistic traits.
